

## Technical Data Sheet

# Galtec Hand Sanitiser

### GENERAL DESCRIPTION:

**GALTEC HAND SANITISER** is a clear liquid with an alcohol odour used to ensure that hands are left free of bacteria. Effective against a wide range of micro-organisms. Product is food safe and particularly effective in food preparation areas. It is quick drying and will leave the hands supple and smooth.

### DIRECTIONS FOR USE:

Soiled hands must be washed before **GALTEC HAND SANITISER** is applied. Dispense through suitable equipment such as a dispenser, pump pack or hand dip tank to apply sufficient product to ensure total coverage of hands. Rub hands together lightly so that the product dries on all surfaces of both hands. No towelling or other cloth should be used to dry hands. .
